

**LEGAL DOCUMENTS THAT WILL BE
REQUIRED OF EACH PERSON TO
PRESENT IN ORDER TO TAKE
POSSESSION OF A VEHICLE IN OUR
IMPOUND LOT:**

1. Photo Identification
2. Legal Instrument(s) Identifying Ownership
3. Valid Form of Payment for the total amount due at the time of release/pick-up.

NOTE: A vehicle/vessel stored in our impound lot will only be released to the legal and/or registered owner. The exception to this rule would be between the legal and/or registered owner's actual presence is unlikely due to a limited list of reasons that may, or may not, be limited to:

- A. - Hospitalized due to Illness or Injury
- B. - Located in another City, State or Country of considerable traveling distance from the location of our main office.
- C. - Imprisoned in a Local Jail, State or Federal Detention Facility

In the event that one of the three above scenarios exist, a "**VEHICLE RELEASE FORM**" would be required to be completed and notarized by a legally commissioned Notary Public. Said form can be obtained from this website and must be presented in person at the time of pickup.

In the case where the legal and/or registered owner has been judged to be "**mentally incompetent**" by a signed court order, a copy of such court order accompanied by a valid and/or legal "**power-of-attorney**" instrument will be required for presentation at the time of vehicle release.

In the case where the legal and/or registered owner is "**deceased**", then a valid/legal "**death certificate**" will be required for presentation at the time of vehicle release, in addition to documents providing proof that the person the vehicle/vessel is being released to is the "executor" of the estate of the legal and/or registered owner of the vehicle being released, or any legal and binding document(s) that can establish that the person claiming such a vehicle has a legal right to take possession of same.

COMMERCIALLY OWNED VEHICLES:

Articles of Incorporation from the company of whom the impounded vehicle is legally registered to will be required at time of pick-up in order to identify the officer of the

company retrieving same. Or, A **written letter of authorization on company letterhead** from an officer of the company affirmed by a **Notary Public** that recognizes

an agent of said company to retrieve the vehicle on their behalf.

RENTAL (or) LEASE VEHICLES:

Impounded vehicles registered and owned by a rental or lease company will only be released

to an authorized agent of said company (i.e., **Hertz, Alamo, Enterprise, Budget, U-Haul, Ryder**, etc.). An authorized agent of the rental or lease company must present

a "**Hold Harmless**" letter on company letterhead at the time of payment and release.

This includes the retrieval of any personal items inside the rental or lease vehicle.
